Rates published by the Bursar's Office are approved by the Board of Regents. The Board of Regents reserves the right to change tuition and fee rates at any time. Tuition charged is based on residency classification, degree, and number of credit hours. Nonresident and international undergraduate tuition is a flat rate for fall and spring regardless of the number of credit hours (1-18). Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken in Continuing Education incur separate tuition and fees. Rates and guarantee groups may be subject to change.

¹ The 2021–22 Post-Pandemic Tuition Credit is a one-time tuition buy-down equal to the 2021–22 tuition rate increase that will be applied to each credit hour as shown. The one-time buy-down is for 2021–22 only and is not included in CU Boulder's tuition guarantee.

² This is the net tuition rate for Summer 2022 after the buy-down. This amount will be on your bill.

³ Total tuition continues to increase at the same increment for each hour over 18
